7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

BEST PRACTICES IN MY INSTITUTION FORMAT OF PRESENTATION Institutions may have many good practices that add values to the quality of education they offer. For presentation of each of the practices the following format may be used.

Care may be taken to avoid general description and focus may be on concrete practices.

1. Title of Practice : BEAT PLASTIC POLLUTION BEST PRACTICE AT OUR INSTITUTION.

I. Title of the practice – Green calendar celebration.

II. The context. All the Green calendar activities primarily aimed at protecting the environment, may have environmentally beneficial effects. Damage avoidance and treatment may also be included in the field of interest through these activities are more concerned with rectifying damage already done than with preventing it in the first place. Example are investing in technologies designed to reduce pollution, restoring the environment after it been polluted protecting the economy from a deteriorated environment, recycling conservation and resource management and the production of environment good and services.

OBJECTIVES : ? The main objective is to do something to take care of earth and the environment. ? To spread awareness among students common people about the issues of the environment.

THE PRACTICE. The Green Idea is a green innovation competitive when startup that strive to make a positive change are born. Green idea Marathon, driven people with different backgrounds and perspectives will gather to develop concept that can create more sustainable society.

OBSTACLES:? The only hurdle to attain sustainability is ourselves. Human nature is the greatest stumbling block on the path to attaining sustainability goals. Common barrier to problem solving are cognitive blocks that impede the ability to correctly solve problems. There can be perceptual, Emotional, intellectual, Expressive, Environmental and cultural.

IMPACT. With this best practice it helps to save the world and help to reduce the possibility of more natural and environmental disasters from occurring in the future by some contribution in awareness of environmental issues.

RECOURSES REQUIRED: Resource persons to talk and create interest on different environmental issues and solutions. All the staff member devote extra time to take interest and share the knowledge with students and common man. All the students with their leader devote the extra time for different activities.

TITLE OF THE PRACTICES: Teaching of Hazrath Khaja Banda Nawaz (Rh) Great Sufi Saint of Gulbarga. **II. THE CONTEXT.** Syed Muhammed bin Yousuf Al-Hussaini, commonly known as Hazrat Khwaja Banda Nawaz Gaisu Daraz was a famous Sufi saint from India of the chisti order, who advocated understanding, tolerance and harmony among various religious groups, Hazrath Khaja Bandanawaz (Rh) was murid (Disciple) of the noted sufi saint of Delhi Nasiruddin

Chiragh Dehlavi. After the Death of Chiragh Dehlavi Hazrath Khaja Bandanawaz (Rh) took on the mantle of successor (Khalifa). When he moved to Daulatabad around 1400 owing to the attack of Taimur on Delhi. He took the Chisti order to South India. He finally settled down in Gulbarga at the invitation of Bahmani Sultan Tajuddin Firoz Shah. SOME OF THE QUOTES OF HAZRATH KHAJA BANDANAWAZ (Rh) ? If a Salik prays or meditates for fame, he is an atheist. ? If one prays or meditates out of fear he is a Cheat and Hypocrite. ? So long as a man disengages himself from all the worldly things he would not step into the road of misconduct.

OBJECTIVES OF THE PRACTICE. ? The teaching and preaching were discussed and emphasizing upon the Religious aspect. ? Sufism focused mainly on their practical and Ethical aspects. ? The objective also involves prayer, etiquette were taught and the teacher disciple relationship emphasized. THE PRACTICE. The teaching of Hazrath Khaja Bandanawaz (Rh) is adopted as distinctive practice of KBN Cell of our college, Incepted the teaching of KBN by organizing an Extension lecture imparted by Maulana Abdul Rasheed Saheb, Principal at Darul uloom deeniyyat. OBSTACLE: The Most potential obstacle we face to implement any distinctive practice among the students in their approach to accept as the students lack, patience, discipline, knowledge, inspiration, lack of desire and passion and fear of change orthodox beliefs to adopt such practice their minds should be moulded. So that they can boldly venture or harbour up as such practice. It is vital that the students mindset should be consistent and potential in their action. . IMPACT : For any distinctive practices initiation the Team work should be the spirit this facilitates diverse views of carpile which can be harnessed to improve the lives of the students addressing the socio economic status of Common man and also helps to curb the social evils like crime, conflict for property, underperforming status and also to strategies to improve health and overcome poverty. RESOURCES REQUIRED: College in the firm platform to every information and spread the knowledge. The students are motivated to participate in different activities pertain to their distinctive practice. Students and Staff contribute to execute the activities of such practice. All the students, Teaching and non teaching staff will involve to signify this practices.
